THE PROBLEM

When buying online, it's difficult to know if I like the fit. I can't be sure about what I'm buying and it's frustrating. That is why I need to try it in the physical store."

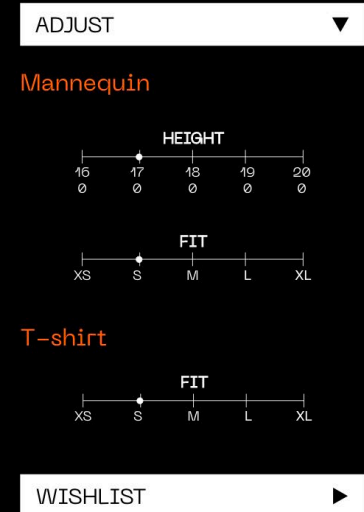

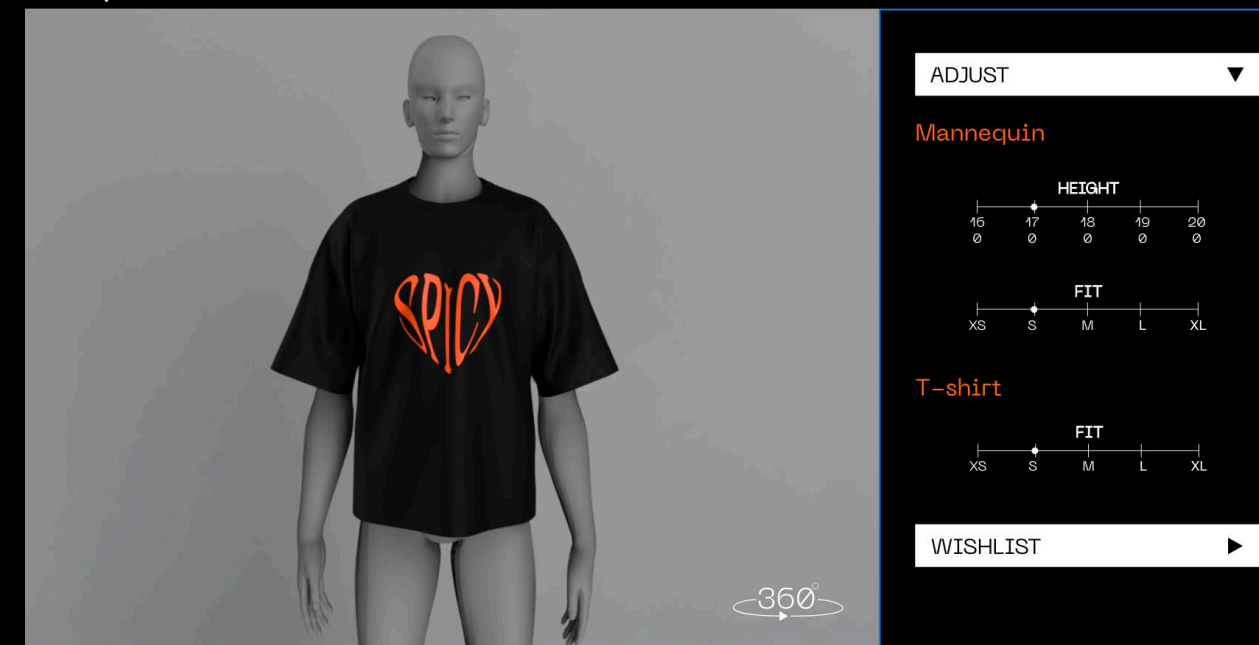

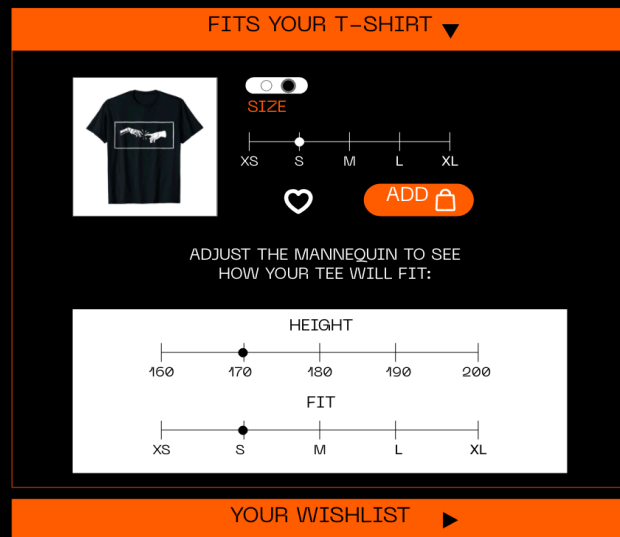

- Kaynat, 20, female

- Lack of accessibility and inclusivity in online stores
- Inability to try the different sizes and fits on your body
- Unrealistic representation of the clothing

hello i'm a font hehehe

SPICY out shirts are cool

SPICY

While sparking a candle may seem like a modest gesture, it will do far more than just setting a mood or filling the room with a warm and, spicy aroma.
